Campers will receive a special camp T-Shirt!

Each camper will spend one day training at the Karate Association then the next day in other sporting or fun activities such as Fitness Training, Music and Personal Development. At the end of every session campers who have completed all the requirements for belt testing will take a Karate or Jiu-Jitsu test. This day is full of excitement as the students test their martial arts skills as well as participate in exciting demonstrations!

Afternoon Activities...

Each year our program has expanded. From traditional crafts, games and movies, we have moved into age appropriate activities that will stimulate both the campers' bodies and minds. In addition, our counselors are highly trained, motivating, and fun! They are all terrific role models!
